Strip-It Cutting Tip

The width of the Strip-It sections that you'll be cutting is 8". Because the stripes are 2 ½" wide, that means that you'll be cutting ¼" beyond the edge of three stripes. Center a light stripe in the middle. Plan your cutting so that you get a variety of striped strips.

Strips are cut 8" wide—place a light stripe in the center and cut the specified lengths

Cut ¼" beyond printed line of dark and light fabric

From the Beige Texture, cut:
7 (5 ½" x WOF) strips. Piece end-to-end, then recut into,
2 (5 ½" x 57") borders
2 (5 ½" x 71 ½") borders

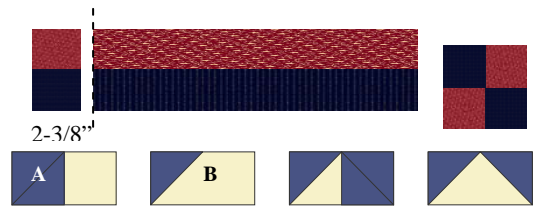

From the Strip-It, cut: (see Strip-It Cutting Tip)
4 (8" x 15") rectangles
4 (8" x 22¼") rectangles

From the Backing, cut:
2 (90" x WOF) panels

Instructions

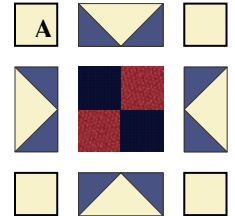

Pieced Star Block (Finished size 7¼")

1. Sew together a red & cream floral 2-3/8" x 20" strip and a navy dot 2-3/8" x 20" strip. Press seam toward the navy dot fabric. Repeat with the remaining strips. Cross-cut strips into 16 (2-3/8") wide segments.

2. Sew together the segments into a four-patch, as shown. Make a total of 8.

3. To make a flying geese unit, lay a medium blue stars fabric (A) square on top of a cream stars fabric (B) rectangle, right sides together. Draw a seam line diagonally from corner to corner of the small square. Sew on the line. Trim seam allowance to ¼" and press open. Repeat stitch and flip method, by placing an (A) square on the right hand side of the (B) rectangle. Make a total of thirty-two flying geese units.

4. Arrange the block patches as shown. Sew together in rows, then sew together the rows. Make a total of 8 blocks.

Border Four-Patch

5. Join the navy dot (C) squares and the red & cream floral (C) square to make 4 four-patch blocks. Set aside for borders.

Quilt Assembly

6. Sew the (1¾" x 40 ½") cream stars border strips to the sides of the center panel. Press seams open.

7. Attach the 40 ½" long red texture border to the quilt sides. Add the 32" red texture borders to top and bottom of quilt. Press seams toward outside edge of quilt.

8. Sew the 46 ½" long navy texture border to quilt sides and the 37" long borders to the top/bottom, pressing all seams toward outside edge of quilt.

9. To make the side stars and stripes borders, sew together two pieced stars alternately with 2 (19 ¾") long stripe rectangles. Press seams toward stripe fabric. Make a total of two. These borders will be attached using a "partial seam" in order to achieve an overlapping look. Begin sewing at the end with the pieced star, aligning the border with the edge of the quilt. Stitch the seam, stopping approximately 5" from the end of the quilt top.

10. To make the top/bottom stars and stripes borders, sew together two pieced stars alternately with 2 (15 ¼") long stripe rectangles. Press seams toward stripe fabric. Attach these borders to the top and bottom of the quilt.

11. Finish sewing the seams on the side stars and stripe borders.

12. Add 66 ½" long navy texture borders to sides. Sew a red & cream floral (C) square to both ends of the remaining navy texture borders. Add to top and bottom of quilt, pressing all seams toward outside edge.

13. Sew long beige texture borders to sides. Sew the four-patch border blocks to ends of remaining beige texture borders, noting orientation of four-patch blocks. Add to top and bottom of quilt, pressing all seams inward toward navy borders.

Finishing

14. Layer top, batting, and backing. Quilt as desired. Bind with red texture fabric.
